Interview Summary

Applicant greatly appreciates the courtesy extended by Examiner Johns in the November 16, 2005 interview with the undersigned, Steve Stewart.

By way of a summary, we discussed the claim amendments and new claims that are generally represented herein.

We appreciate the Examiner's indication that the claims appear allowable over the outstanding rejections.

A Few Addition Comments

We respectfully traverse the 35 U.S.C. § 103 rejection over Nagato in view of Powell since we do not think the references should be combined as suggested.

Conclusion

Applicant submits that the application is in condition for allowance. Nevertheless, the Examiner is invited to call the undersigned with any questions.
